B Narayanaswamy Iyengar, Esq, B A, B L,
General Secretary to Government,
Bangalore

Subject - Construction of a Town Hall at Channapatna

Sir, Ml 126-28-

With reference to your Memo No, L 4293 dated the 14th December 1928, on the above subject, I have the honour to forward herewith a copy of letter No 3747 dated the 20th September 1929, received from the Superintending Engineer, Mysore Circle, bringing to notice the delay on the part of the District Board of Bangalore and the Municipal Council of Channapatna in the payment of the contribution due from them towards the above work

2 The quota payable by the District Board towards the construction of the building has been fixed at Rs 8,000/- in G O No L 6457-60/Ml 168-28-16 dated the 16th April 1928, and the President of the District Board has been informed in your letter No L 4292/Ml 126-28-6 dated the 14th December 1928, that half the amount be paid during 1928-29 and the other half during 1929-30 It is, however, seen from the Superintending Engineer's letter referred above that the Board are not willing to contribute more than Rs 2,000/- for the work

3 As regards the amount payable by the Municipal Council of Channapatna, a copy of Comptroller's letter No W A D I 158 dated the 27th July 1929, stating that necessary orders for payment of the loan to the Municipality have not yet been issued, is herewith forwarded

4 As the work is considered urgent by Government and as

progress thereon has been considerably retarded owing to the delay in the payment of contribution by the local bodies, I am to request that necessary instructions may kindly be issued to the officers concerned for placing the requisite funds at the disposal of this Department, with a view to push on with the work.

I have the honour to be,

S i r,

Your most obedient servant,

19-11-29

Chief Engineer of Mysore

HAR /18th

Letter no 3747 dated the 20th September 1929, from the Superintending Engineer, Mysore Circle, to the Chief Engineer of Mysore, Bangalore

---

Subject - Construction of the building for the Town Hall at Channapatna

---

With reference to correspondence ending with your letter No 3317 dated the 13th August 1929, I have the honour to inform you that the cost of the above work as ordered in G O No L 6437-60/168-29-16 dated the 16th April 1928, will have to be borne equally by the State, the District Board of Bangalore and the Channapatna Municipal Council the amount being Rs 8,000 in round figures, in each case

2 It is now reported by the Executive Engineer, Bangalore Division, that the Channapatna Municipal Council have up to now paid up Rs 2,000/- only against Rs 8,000/- In this connection a copy of letter No Loans 1079-80 dated the 20th June 1929, addressed to the President of the Municipal Council by the Comptroller of Mysore and a copy of Comptroller's no W&M SI 158 dated the 27th July 1929, addressed to the Executive Engineer, Bangalore Division, by the Comptroller of Mysore are herein enclosed

3 As regards the quota of cost of Rs 8,000/- to be paid by the District Board, it is reported by the Executive Engineer that the President of the District Board who was addressed in the matter has replied stating that sanction of Government is awaited for payment of Rs 2,000/- the Board have resolved to pay only Rs 2,000/- and not Rs 8,000/- and arrangement will be made to place the amount at the disposal of the Department after receipt of orders from Government Orders are now solicited as to how the difference of Rs 6,000/- will have to be now apportioned

4 The work is in progress and an outlay to the extent of Rs 6,663/- has been incurred up to end of August 1929 as per progress report received from the Executive Engineer

Letter No WAD I 158 dated the 17th July 1929, from the Comptroller of Mysore, to the Executive Engineer, Bangalore Division

---

With reference to correspondence ending with your No 15 dated 19th July 1929, regarding funds for the construction of the Town Hall at Channapatna, I have the honour to state that the required orders for payment of the loan sanctioned by Government have not been issued and the amount cannot therefore be placed at your disposal

The work should not have been put in hand before the recovery of the amount of contribution from the District Board and settlement of the question of the grant of loan The item will therefore be brought in the objectionable item statement pending regularization

The outlay should have been debited to three funds after the recovery of the full amount of contribution The outlay till now incurred is debited as follows -

1	Deposits against the amount obtained from the head 30 Grants	Rs 2000-0-0
2	Objection book advance	" 1000-11-10
3	30 Grants	" 2000-5-1
	Total	Rs 4107-0-11

The outlay debited to 30 Grants is not correct, as the grant in aid has already been adjusted by credit to Deposits The debit of the amount to this head may be withdrawn in the accounts for June 1929 final and adjusted debiting 1/3rd outlay to deposits and 2/3rd outlay to objection book advance for recovery from the District Board and the Municipality The establishment and tools and plant charges adjusted is also incorrect as the Government have waived these charges in Government Order No L 6457-60/M1 168-25-16 dated 14th August 1928 The amount adjusted towards establishment and tools and plant charges may therefore be withdrawn in the accounts for June 1929 final
